

Summer 2016

Dear Candidate:

It is our pleasure to invite you to apply for Georgia Life Alliance's Pro-Life Certification. As you may already know, **Georgia Life Alliance is the Georgia affiliate for the National Right to Life**. Our core objective is to grow a culture of life in our state by working with individuals and organizations who value the sanctity of human life – from conception to natural death. To learn more about our organization, please visit our website at www.georgialifealliance.com or give us a call at 678-597-8055.

This is the first year Georgia Life Alliance Committee (GLAC) will offer an official **"Pro-Life Certification"** for those candidates seeking to retain public office or be elected for the first time. In the event a candidate receives his or her GLA Pro-Life Certification, we will provide a "GLA Certified Pro-Life" seal for use on your campaign materials, website, and other communications. All candidates who seek the GLA Pro-Life Certification and are granted said certification must agree to GLA's Terms of Use prior to receiving the seal.

Attached are the following:

- **2016 GLA Candidate Questionnaire**
- **2016 GLA Candidate Application for Certification**

In order to apply for our Pro-Life Certification, please complete both documents in full and return the original to our office at: Georgia Life Alliance Committee – 3 Central Plaza # 187 – Rome, Georgia 30161

You may expedite the processing of your application by scanning and emailing your complete documents to certification@georgialifealliance.com. However, you must send in your original signed documents as well. **We will accept applications through September 15, 2016**. We will begin processing new applications after September 12. For new candidates, we reserve the right to conduct an interview regarding your additional qualifications for certification.

In addition to Certification, GLAC will post a copy of your original questionnaire for viewing on our website and alert our followers of this information. However, you may opt out of having your questionnaire posted. We hope you will find affiliation with Georgia Life Alliance and the National Right to Life to be an essential part of developing your identity as an ideal pro-life candidate. Please feel free to email or call us if you have any questions: 678-597-8055.

Working Together to Grow a Culture of Life,
