

ISSUE: ABORTION

The Georgia Life Alliance (GLA) believes that unborn children should be protected by law, and that abortion should be permitted only when necessary to prevent the death of the mother.

For each numbered question, please indicate your answer by initialing next to the “yes” or “no” for each question.

NOTE, in every numbered question below, the answer “yes” indicates agreement with the position of GLA.

1. Do you believe abortion should be illegal?

YES ___DM___ NO _____

If you answered “yes” to question 1, do you believe there should be an exception to laws prohibiting abortion in any of the following circumstances? (please initial all that you agree with)

(a) _____ To prevent the death of the mother.

(b) _____ In cases of rape where the rape is reported to an appropriate law enforcement agency.

(c) _____ In cases of incest where the incest is committed against a minor and it has been reported to an appropriate agency.

(d) Other: (Please initial all that you agree with or complete d.) I believe that in the rare case in which there looms the certain death of the mother during the pregnancy, premature delivery of the yet unborn child may be necessary in order to save the life of the mother. In the unlikely (if even possible) situation that saving the life of one means the certain death of the other; I believe priority should be given to preserving the life with the greatest potential of survival. Every effort to preserve the life of both the mother and child should be made.

2. In Roe v. Wade and Doe v. Bolton (1973) the U.S. Supreme Court created a “right to abortion” for any reason until “viability” (into the 6th month) and for any health reason during the final three months of pregnancy.
