

ISSUE: ABORTION

The Georgia Life Alliance (GLA) believes that unborn children should be protected by law, and that abortion should be permitted only when necessary to prevent the death of the mother.

For each numbered question, please indicate your answer by initialing next to the "yes" or "no" for each question.

NOTE: in every numbered question below, the answer "yes" indicates agreement with the position of GLA.

1. Do you believe abortion should be illegal?

Under what circumstances, if any, do you believe that abortion should be legal?

Life begins at conception, and I believe that abortion under any circumstances is morally wrong. An America where all abortions are viewed as abhorrent and unthinkable in any situation is one we must all aspire to and work towards. As we do this, legislation that includes these exceptions has a much better chance of passage, and I support efforts to create a more pro-life culture, even if we are doing so incrementally –because saving one baby is better than saving none.
